

getAccessFlags

```
graph LR; A[getAccessFlags] --> B[Utils::converterStreamToCString]
```

The diagram consists of two rectangular boxes connected by a horizontal arrow. The left box is shaded gray and contains the text 'getAccessFlags'. A blue arrow points from the right side of this box to the left side of the right box. The right box is white with a black border and contains the text 'Utils::converterStreamTo' on the top line and 'CString' on the bottom line.
